## Son Doong – The World’s Largest Cave

Located in the heart of Phong Nha – Ke Bang National Park in Vietnam’s Quang Binh province, Son Doong (Mountain River Cave) is one of the most captivating (1)..... that can be experienced in Southeast Asia.

At about 9 kilometres in length, 200 metres in width and 150 metres in height, it is the largest cave in the world with the capability of fitting the entire city streets and skyscrapers. It is also home to a beautiful river, (2)..... jungles and cave ecosystems. One of the most amazing features of this giant (3)..... is rare cave pearls that have been shaped by water drops for centuries and some of them are as big as baseballs.

A trek through the cave to (4)..... the spectacular and unique limestone formations and explore lush jungles is a must for those who love untouched natural beauty. Besides, taking a boat ride or going swimming in the clear water of the river running through the cave is a fantastic (5)..... Don’t miss out on a visit to Son Doong Cave. Its (6)..... natural beauty will make your adventurous trip unforgettable.
