KEY:**Ex 1:**

1. Beethoven was born in 1770 in Bonn, Germany, and he started learning piano at the age of 4, taught by his father.
2. When he was 22, he moved to Vienna to study with the famous composer Haydn.
3. When he was 30, he started to become a well-known composer, and he wrote heroic works about struggle and revolution.
4. In his late 20s, he started losing his hearing, and he became quite ill during the last years of his life, and died at the age of 57 in Vienna.
5. Beethoven composed many symphonies, well-known piano sonatas, and became the master composer of all time.

Ex 2:

1. Eat five or six times a day. If you are hungry, you cannot concentrate.
2. Popular snacks, like crisps or biscuits, are not healthy. If we eat a lot of these foods, we will have problems with our weight. Choose healthy snacks, like fruit.
3. Cook your meals at home from fresh foods. If you use fresh foods, your meals will not have a lot of bad chemicals and they will be healthier.
4. Fish is good for the brain. When you do not eat fish, your memory will get worse.
5. Broccoli and tomatoes have a lot of vitamins and minerals. They help us to stay healthy if we eat them regularly.
