6. Culture helps us (to) evaluate everything around us.

7. Because they use their own culture as the standard to judge other cultures.

8. Because we can increase our level of understanding about other cultures by interacting with people outside of your own culture.

9. Learning about other cultures helps us understand different aspects in the world, helps remove negative stereotypes and personal biases about different groups, and helps us recognize and respect other ways of life that are not necessarily our own.

10. It supports the idea that every person can make a unique and positive contribution to the larger society.
